Mr. Edward P. Newell, President,
American Numismatic Society,
Broadway & 155th Street,
New York City.

Dear Sir:

We refer you to our letter of January 17th, relative to placing insurance covering articles in possession of your Society for exhibition either owned by them or loaned by others and for which you may be responsible.

We understand there will be a meeting of your Board of Counsellors on the 14th and invite your attention to the fact that we are waiting for instructions relative to disposition of the fire insurance policies on the building while in course of construction. When you are ready to have the insurance cancelled, we will be glad to be instructed and will see that you get whatever return premium results.

If you need further information relative to other forms of insurance, we will be glad to call at such time as you may appoint.

Yours very truly,

Edward A. Jones
Assistant Secretary
